Mr. Curley has extensive experience in environmental litigation matters involving the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA). His practice includes natural resource damages and cost recovery litigation, CERCLA and state law equivalent remediation matters and advocacy relating to legislative and regulatory reform of CERCLA.

Mr. Curley has counseled clients on natural resource damage issues and has been an active participant in past efforts to reform CERCLA's NRD regime through regulatory and legislative mechanisms. He has handled other civil and criminal litigation concerning claims under RCRA, Clean Water Act, the Clean Air Act and TSCA. Mr. Curley has substantial experience in negotiating both administrative orders on consent and consent decrees under CERCLA and equivalent state statutes at sites across the United States.
